

MIAMI VALLEY HAITI AUCTION 2025

Welcome to the auction!

Scan for a digital version

March 15, 2025
www.haitiauction.org

Our auction began in 2010 and was a response of Cornerstone Dunkard Brethren Church (near Covington, OH) to the terrible earthquake in Haiti that year. Each year our proceeds have grown as God has blessed the donors and volunteers with increased proceeds. We are careful to send our proceeds to conscientious organizations that work through native churches so their work has a strong, long-term, spiritual benefit for the Haitian people rather than making them more dependent on foreign aid. The work we support Includes:

- Schools and student sponsorship
- Building and equipping of churches
- Operation of an orphaned children's home
- Personal evangelism
- Disaster relief
- Medical clinic operation

We take no operating or administrative fees out of the proceeds. All expenses are covered by volunteers and donors. Even with concessions, facility rental, advertising, and other expenses, every dollar raised is passed on to Haiti.

Missions supported this year by your generosity today:

International Faith Mission
Redeemed Vocational School
International Fellowship Haven

An Update from the Supported Missions

International Faith Missions - At International Faith Mission we continue to do many of the same things we've done for years. How we do those things has changed dramatically.

We are sourcing most of our supplies from the Dominican Republic. Only a short drive from the border, we are able to move about in the DR without fearing gangs. Haiti has become unsafe to travel outside our town.

Our Water of Life clinic is meeting the medical needs of our community and those around us. The violence and instability had caused many clinics and hospitals to close leaving very few options for people needing help. Thankfully we have been able to stay open.

We continue to support our two schools. They continue to have classes most days.

Pray for Haiti! The situation is becoming very dire with hunger and starvation due to inflation and lack of work opportunities. Our friends are struggling to survive.

Redeemed Vocational School - Although the stability in Haiti has not improved, we are thankful that the safety in our town has not been affected. Our school continues to operate with local resources and students. Thank you for your prayers and support as we strive to present the peace of Jesus in these tumultuous times On behalf of the board of Redeemed Vocational School

International Fellowship Haven - On behalf of IFH, we want to thank you for your support.

The spiritual and physical needs of Haiti are the greatest they have ever been. Gangs have overtaken cities killing, raping and kidnapping indiscriminately. The gangs control the street and the day to day commerce that takes place.

Over the last 45 years IFH has cultivated relationships with the native church leaders and continue to work through them. Even though we as a board are not able to travel to Haiti, we use the local church as a our hands and feet in Haiti. The Lord has blessed IFH with godly men that can be trusted to help both the physical and spiritual needs of the Haitian church. The senior pastors continue to shepherd the younger pastors through bible classes and church conferences. The local pastors are able to discern the urgent needs in the community.

The church leaders also network with the local contractors to continue our building projects. With the recent displacements in Haiti the pastors have taken on a great responsibility trying to meet the needs of the displaced individuals.

Pray for the local pastors as they are "marked" men in the community. Most of all pray that the pastors can preach the message of hope in a hopeless situation.

NOTES:

- CERTIFICATE ITEMS Please take some time to look at the certificates for donated products and services posted on the wall. **These are marked as 'C' lots in this list.**
- THE CAR will be sold at noon
- LEFTOVER FOOD will be sold approximately at 3:30 or at the end of the auction, whichever comes first
- Stay until the end for a chance to win a Yeti Cooler filled with meats from Haren's Market and Landes Meats!
